Wetland Binoculars

Popular for nature viewing

High quality waterproof DCF binoculars. Designed for birdwatching and nature viewing. Rubber armoured and fully waterproof, Wetland binoculars are quite at home in the tough outdoors. High grade roof prisms, coated lenses for great clarity and colour. Includes case, strap and 10 year guarantee. One of our most popular choices.

Astronomical Telescope

Complete 6 Inch Tube Kit

Including 1400mm reflecting telescope tube in smart black finish. Tripod and equatorial mount. Side finder scope. Two eyepieces (6mm & 25mm plossl) and 3x barlow converter. Moon filter and complete instructions. Accepts standard 1.25" eyepieces and accessories. With included eyepieces you can configure to give: 56x, 168x, 230x and 690x strength magnification.

Scopes

Up to 75x Zoom

The Visionary VA50, VA60, VA70, VA80 and VA100 scopes feature BAK4 prisms, rubber armour, full waterproofing and fully coated lenses for a bright and natural colour image. The Olivon T90 from Sweden is waterproof, with rubber coated body, nitrogen gas filled lens, integral lens hood, BAK4-prism, full multi-coating plus broad band green coating, Zoom 22-68 x magnification. T64, T80 & T90 all with high definition eye piece, ideal for digiscoping. All come with stay-on case.

Observation Binoculars

Room with a view?

Extremely high quality long range observation binoculars. Powerful 20x or 40x magnification combined with large 100mm objectives provides an incredibly bright image. Uses standard 1.25" fitting for eyepieces, making this very versatile. Great choice for astronomy, coastal views, birdwatching and surveillance. 30 year guarantee.
